

Outdoor Use Zoning Petition for the Central Square Cultural District

2023 MAR 15 AM 9:18
OFFICE OF THE CITY CLERK
CAMBRIDGE, MASSACHUSETTS

Introduction:

In March of 2020, Central Square, like the rest of the world, faced its biggest crisis in a generation, the COVID-19 pandemic. Within weeks, the Commonwealth of Massachusetts and the City of Cambridge announced the immediate closure of all businesses, non-profits, and arts spaces. The pandemic effectively rendered indoor space unsafe. For theaters, performances spaces, and cultural centers this condition would last for over a year and a half. In response to the devastating effect of the pandemic on the Cultural District, the Central Square Business Improvement District moved swiftly to redeploy outdoor space throughout the District to support what was lost. Spaces for cars became places for people. Surface-level parking lots became spaces for safe-gathering and community programming, defunct turning lanes became safe outdoor seating for beleaguered restaurants, gratuitous loading zones became places for micro-enterprise. The results of this reuse of outdoors space was thousands of residents attending hundreds of free public events, dozens of new homegrown small businesses, and a sense of hope and community during an undeniably dark time. All of this was made possible by the flexible reuse of outdoor space.

Statement of facts:

WHEREAS Central Square was designated an official Cultural District in the state of Massachusetts by the Mass Cultural Council in October 2012, and

WHEREAS Central Square is the home to multiple live music venues, non-profit art institutions, a historic retail corridor, and

WHEREAS the Central Square remains an epicenter for artistic expression with nationally acclaimed public art, outdoor events, festivals, and Starlight Square, and

WHEREAS Central Square must remain a home to the arts and be able to continue its tradition of being a home to artists, art, culture, and freedom of expression.

NOW, THEREFORE, we the Undersigned respectfully petition the honorable City Council of Cambridge to amend the Cambridge Zoning Ordinance, by amending the table of uses to allow outdoor recreation facilities 4.36 (d) and Outdoor Retail or Consumer Service Establishment, not otherwise defined be a "Yes" and by right within the Business B zone of the Central Square Overlay with the following language:
